

## FOODSAFE COURSE PROVIDERS

**FOODSAFE** is a food sanitation course aimed primarily at educating workers in the food service industries

**Foodsafe Level 1** is a training program designed for food service operators, handlers, kitchen & serving staff. Participants learn how to handle and prepare food in a way that protects them and their customers from injury and illness.

**Foodsafe Level 2** is a program for chefs, operators, managers and supervisors. It reviews Foodsafe Level 1 lessons and addresses advanced food safety knowledge and procedures vital to running a safe food service business.

The following is a list of locations where you can obtain FOODSAFE training in the Thompson Cariboo Shuswap.

The FOODSAFE website ([www.foodsafe.ca](http://www.foodsafe.ca)) also has a searchable directory for courses and is the most up-to-date listing of pending courses available. Note: not all course providers routinely list courses in the directory.
