The Habitat for Humanity – ReStore, has an opening for a

## **Warehouse and Delivery Assistant – part-time**

*This position will work Monday's. Other times may come available on an as-needed, if- available basis. We realize that on-call may not work for everyone. Don't let that stand in the way of applying if interested.*

The ReStore is a non-profit charity retail operation. We receive donated materials from both residential and commercial donors. Some product is new, some used. Items range from furniture and appliances to building, electrical, plumbing and heating materials. We also receive antiques, windows, doors, flooring, paint and other items related to maintaining a home.

We are seeking a dynamic, fit individual who enjoys working with people and the challenge of changing priorities and flexible schedules.

Work includes helping pick-up and unload both new items from retailers and used items from residential donors. It is important to be able to meet our donors and make them feel good about helping us.

In-store duties include: assess donations and decide what is suitable for sale; clean, price and display merchandise; maintain floor displays; operate forklift; work with volunteers to accomplish all of these tasks.

Outside the store, the work includes trips in town to pick-up donations as well as day trips to the Okanagan to pick-up items from retailers.

The store operates Monday – Saturday from 9:00 a.m. – 5:15 p.m. This position will work 8 hrs. every Monday (or Tuesday, if Monday is a statutory holiday). It can work well for someone with other work or a semi-retired person who is fit and wants something fun to do.

What do we need from you?

1. Resume.
2. Describe any retail experience.
3. Tell us about any experience working with volunteers or being one.
4. Expected wage range
5. Do you know anything about Habitat for Humanity and the ReStores?
6. Any health concerns?

You may apply by e-mail to [manager@kamloopsrestore.com](mailto:manager@kamloopsrestore.com), by fax to 250-374-9370, or drop your resume at the store at #28, 1425 Cariboo Place.

Competition closes Friday, Sept. 3. Position will begin as soon as possible after.

We thank all that apply. Due to workloads, only those selected for an interview will be contacted.
